Established by the European Commission

Website and programme: bit.ly/cosmoforward

9th – 12th February 2026

Welcome!

Logistics

- 4 days with trip to the observatory on Wednesday afternoon
  - Let me know if you are attending
  - Thursday breakout sessions will be flashed out in more details during the week
  - Stick to time
- Avoiding single-use plastic so use stickers for names
- Coffee and lunches in the IAC Cafeteria
- Conference dinner on Wednesday at the Nivaria Hotel
- Expense claims for transport+subsistence
  - Submit form (ASAP once back, grant ends March 31st)
  - Receipts, daily allowance for dinner £45
  - No alcohol refunds

Thank you to Ricardo, Alberto, Cande, Olimpia, Sara and others who helped get us here!

Why are we here?

- Reflection and discussion on how we derive current and future cosmology results
  - Main focused dictated by the ERC programme
- Talks addressing theory, data, sims and infrastructure
  - Thank you for taking the time to prepare!
- Leveraging expertise of IAC scientists
  - Opportunity to see an actual telescope!

Why are we here?

- Reflection and discussion on how we derive current and future cosmology results
  - Main focused dictated by the ERC programme
- Talks addressing theory, data, sims and infrastructure
  - Thank you for taking the time to prepare!
- Leveraging expertise of IAC scientists
  - Opportunity to see an actual telescope!

I expect this to be the first ERC-supported workshop of its kind and to become a fixture in our yearly calendar!
